RE: Vacation of a portion of Garland Avenue in Sunnyvale

Dear Ms. Chu:

This correspondence is in response to your letter dated July 6, 2005 requesting SBC California's concurrence with the proposed vacation of a portion of Garland Avenue as shown on the Exhibit "A" Plat dated June 10, 2005.

Engineering has reviewed our records and determined that the vacation of that portion of Garland Avenue will not compromise SBC California facilities. Therefore, SBC California has no objection to the vacation as proposed.

Please call me at (408) 493-8713 if you have any questions regarding the information above.

Sincerely,

Re: Street Vacation
Portion of Garland Ave., Sunnyvale
PG&E File: Y05-VA-18

Dear Ms. Judy Chu:

We have completed the final review of your request, PG&E has no objection and hereby consents to the proposed vacation of a portion of Garland Avenue at above said location, as shown on attached Exhibit A.

As a condition of this consent, we request that our San Jose Land Services Office be supplied with a certified copy of the final resolution of vacation by the County.

Please send a copy of the resolution to Lead Land Technician, at 111 Almaden Boulevard, Room 814, San Jose, CA 95115 and reference our file number Y05-VA-18.

Please be advised that developers or property owners should contact U.S.A. (Underground Services Alert) at least 48 hours prior to any excavation in nearby areas, so the underground facilities can be located. The toll-free number is 1-800-642-2444.

For your information, our underground facilities are generally 24" to 36" deep. However, the depth may have changed since they were originally installed. This is due to street reconstruction and general area changes.

Sincerely,

Ted Quach
